Gosford R.S.L. Fishing Club (GRSLFC) Competition Rules - 2021

- f. No member shall weigh-in without holding a current fishing licence unless they are exempt under the State Rules from being required to hold a fishing licence. An Executive Committee Member has the unfettered right to request to see the members fishing licence at any reasonable time during a competition weekend/ weigh-in and such request shall be complied with by the relevant member.
- g. Each competitor may use up to four rods or lines each, with no more than three hooks or gang hooks attached, or as directed by Department of Primary Industries regulations
- h. All fish weighed in must comply with the GRSLFC Species Size and Bag Limits chart.
- i. Only eligible species of fish may be weighed in.
- j. All fish weighed in must be gilled, gutted and roed with the exception of squid and any crustacean on the eligible species list.
- k. All fish weighed in must be dead, with the exception of any crustacean on the eligible species list, provided that such crustacean is made safe to handle by tying up or such other method that ensures it is safe to handle.
- l. No mutilated fish may be weighed in.
- m. All crabs must be caught by hook and line. The use of crab traps is not permitted.
- n. All fish weighed in must be contained in a separate container correlating to each individual member. For the avoidance of doubt, more than one member may place their fish in an Esky or such like container, provided that the fish of each individual member is separated by being contained in a plastic bag or the like.
- o. Each container must contain only eligible fish, ice or such other item necessary to cool the fish. No other foreign objects are to be contained in any container. A breach of this rule (in so far as it relates to foreign objects) shall result in disqualification unless the Weighmaster determines otherwise (noting the purpose of the foreign object rule is to ensure the safety of the Weighmaster).
- p. No member or other person may be in the weigh-in area unless their fish are being weighed in, or they are otherwise involved in the weigh-in process. A breach of this rule shall result in disqualification if the breach continues to occur following a warning from the Weighmaster, authorised Recorder or an executive committee member.
- q. Should a member be unable to attend the weigh-in, their catch can be presented for weigh-in by a third party. Please note that each member is allowed only three "proxy" weigh-ins each competition year.

4. Scoring of Competition Points

A bonus 20 points shall be awarded for those who fish the competitions against the Grange Hotel Bloody Seagulls Fishing Club and Bateau Bay Hotel Fishing Club.

Gosford R.S.L. Fishing Club (GRSLFC) Competition Rules - 2021

- e. Any member who fishes a competition and has nil catch and wishes to claim points for fishing the competition shall only be awarded the points by attending the weigh-in at the appropriate time and notifying the Weighmaster or Recorder that they fished.
- f. The Club Recorder shall record and maintain a register of "Club Record Fish" as per the GRSLFC Species Size and Bag Limits chart for the current competition year.
- g. The Club Recorder shall record and maintain a register of each member's cumulative point score for the current competition year.
- h. No points will be awarded for a member's catch unless they have been a member of the GRSLFC for at least twenty four hours prior to the announced commencement time of the completion weekend.

5. Catch and Release

It is not intended that catch and release will be used for a member's entire catch. This option primarily offered to allow the release of larger fish to allow them to go forth and multiply.

Brag Mats issued by NSW Department of Primary Industries show length to whole weight conversion tables for twelve of our target species. The species are Yellowfin Bream, Dusky Flathead, Yellowtail Kingfish, Luderick, Mulloway, Mulloway, Snapper, Tailor, Tarwhine, Teraglin, Silver Trevally and Sand Whiting. Until tables are available for other species, catch and release will be limited to the species listed above.

In order to be eligible for points under this process you must do the following:

- a. Measure fish fork length from the fish's mouth to the inner fork of the tail (where applicable). For species without a forked tail measure to the central tip of the tail. The fish's tail must be presented open with a natural spread.
- b. Photograph the fish on the brag mat. The photo must be clear and in focus with the brag mat measurement markings clearly visible and legible. The photo must be taken square on with the whole fish in the frame.

The whole weight of the fish will be estimated based upon tables contained in the "Saltwater Fishing Guide". For points scoring and "Board Fish" purposes ten percent will be subtracted from the whole weight of the fish to give an estimated gilled and gutted weight.

6. Disqualification

A member's catch will be disqualified and no points awarded if:

- a. The member's catch is not within the nominated weigh-in area prior to the nominated competition finish time, or
- b. The member's catch includes fish of a single species which exceeds the bag limit listed in the relevant Species Size and Bag Limits chart, or
- c. The member's catch includes fish which are smaller than the size limit listed in the relevant Species Size and Bag Limits chart, or
- d. The member's catch includes fish, excluding squid and any crustacean on the eligible species list, which have not been gilled, gutted and roed, or
- e. There is a foreign object in the container holding the member's catch, or
- f. In the opinion of the Weighmaster, the catch contains fish which have gone off, or
- g. More than one member's catch is in the one container. By way of clarification, for the competition against the Bateau Bay Hotel Fishing Club each member's catch must be in a separate Esky. For all other competitions more than one member's catch can be in the one Esky provided that each catch is separated within individual plastic bags or similar, or

Gosford R.S.L. Fishing Club (GRSLFC) Competition Rules - 2021

- h. The Club Executive Committee has reason to believe that the member's catch was taken outside the competition boundaries.

Please note that the Weighmaster's decision on any disqualification is final.

7. Safety

- a. All boats must be fitted with all safety gear as specified by Roads & Marine Services.
- b. All radio equipped boats must log in with Marine Rescue Central Coast when departing the ramp and log off upon return.
- c. Any club member who goes out on another club member's boat shall do so at their own risk.
- d. Any member who cannot swim must be prepared to wear safety gear when advised by the Skipper.
- e. It is highly recommended that any member rock fishing wear a life jacket.

8. Home Competition Weekend Prizes

- a. No competition weekend prizes shall be awarded under this heading unless a minimum of ten members (regardless of gender or age) have fished and attended the weigh-in..
- b. The value of the prizes listed below may be varied by the Club Executive Committee.
- c. The junior member with the most points accrued during the competition weekend shall receive either cash for the sum of \$10.00 or a voucher from a local fishing supplies store of the same value.
